

Critical Karen

- **Personal pronouns:** (she/her)
- **Statement:** "I say what I think, if you don't like it then you can't handle the truth"
- **Age:** 41
- **Location:** Twizel, lives with two children and a long-term partner
- **Education:** Average NCEA grades
- **Neurodiversity:** Autism, Vestibular Disorder (Benign Paroxysmal Positional Vertigo)
- **Employment:** Part-time social media marketing
- **Other:** Few close friends but a wide supportive online community, passively aggressive to authorities, argumentative in online discussions, chooses to ignore the wellbeing of others.

Aspirations

Wants her children to grow up in a country where being different is accepted, where a government tells the truth, and in a world where global control is exposed.

Motivations

- Educate others about the lies they are told
- Provide evidence of the truth
- Use forums to destroy the controlling authority and expose the lies
- Disrupt lessons and expose the incompetent education system

Needs

- Continued agreement and approval
- Clear deadlines and precise instructions
- Reduced motion option

Online Literacy

- Owns an iPhone, iPad and Chromebook
- Uses Facebook, Instagram, Twitter and anonymous chat-rooms
- Watches YouTube and Digital TV
- Can resolve most software issues
- Prefers not to contact IT support

Enablers

- Trusting community
- Links to personal social media accounts
- Access to message other learners
- Accessible policy and procedure documentation
- Freedom to bully others in debate

Barriers

- Expensive internet connection
- Refuses to take instruction
- Constructive criticism
- Parallax movement
- Scroll jacking
